

SHEETHAL YELLISETTY-Z1853460-ASSIGNMENT-3-MPG

(a) Asks for the miles to calculate miles per gallon used.

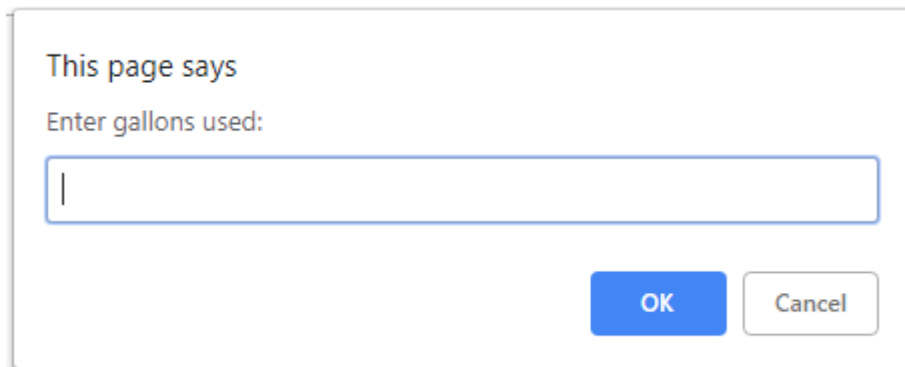

This page says

Enter number of miles:

OK Cancel

An alert box with a white background and a thin grey border. It contains the text "This page says" in a small font, followed by "Enter number of miles:" in a slightly larger font. Below this is a single-line text input field with a blue border and a vertical cursor. At the bottom right are two buttons: a blue "OK" button and a white "Cancel" button with a grey border.

(b) Asks for the Gallons to calculate the miles per gallon.

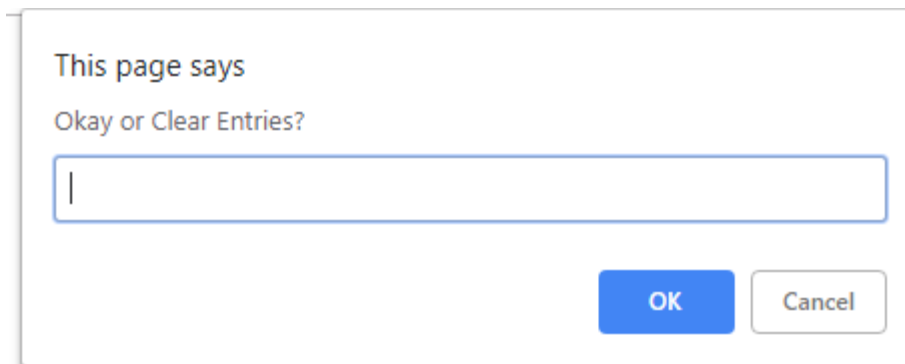

This page says

Enter gallons used:

OK Cancel

An alert box with a white background and a thin grey border. It contains the text "This page says" in a small font, followed by "Enter gallons used:" in a slightly larger font. Below this is a single-line text input field with a blue border and a vertical cursor. At the bottom right are two buttons: a blue "OK" button and a white "Cancel" button with a grey border.

(c) An alert box appears asking whether to continue with the entries or clear them. If we chose to continue with the results then type "okay" we get the results as below.

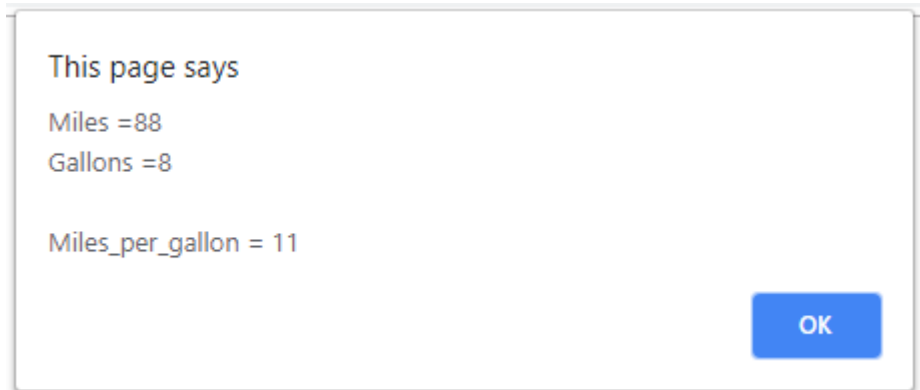

This page says

Okay or Clear Entries?

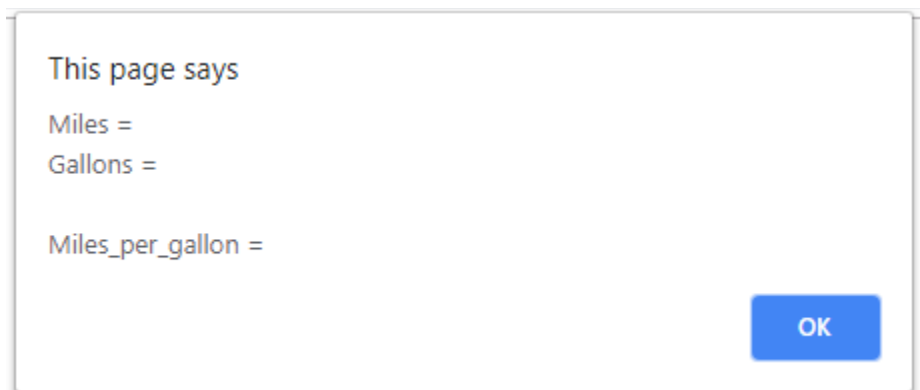

OK Cancel

An alert box with a white background and a thin grey border. It contains the text "This page says" in a small font, followed by "Okay or Clear Entries?" in a slightly larger font. Below this is a single-line text input field with a blue border and a vertical cursor. At the bottom right are two buttons: a blue "OK" button and a white "Cancel" button with a grey border.

(d) If we continue with the entries, we get the results displayed as below.

(e) As I mentioned in the fig.(c) if we chose to clear the entries then the below alert box appears with values cleared in them.

(f) If we entered inappropriate values in fig(a) or in fig(b) or both then the below alert box pops up.
